> Nay, more than this, eminent engineers, graduates of West Point, but who are no longer in the arms. put upon them by this restriction when called upon to serve under those who were once their juniors and subordinates. There is no justice or propriety in this disabling clause in the bill. Every member of this commission should feel and be made to feel that the way is clear for him, is open to him, by energy, by the exhibitation of superior character and ability-it may be of genius-to rise to the first and highest place on the commission. R. M. Currie of Edwards, and C. D. Newman thou of the Executive. It is not necessary or just or proper. I know this will be the sense of the Branch of this House, nay of the Congress, when the that Dr. Price's Unique Perfumes are the powers of the pupils thus fitting them for issue is once made. I trust in the meantime Rendered, That the President and Secretary of beas, grass, etc., to make up for loss of corn of duty to the country that should animate every man in the public service. There is
